NCHU Scientific Research Platform for Industrialization

國立中興大學在國科會的支持下成立「科研產業化平台」,鏈結校內11大學院與學士後醫學 系,以及五大驗證中心,搭建產學研合作平台並與國際市場鏈結,同時亦與廠商締結會員制 度,提供更專業的客製化服務。

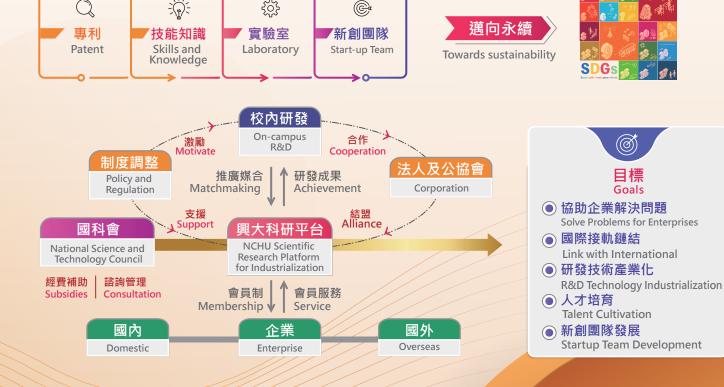

National Chung Hsing University established the "Scientific Research Platform for Industrialization" with the support of the National Science and Technology Council. We link 11 colleges, the department of post-baccalaureate medicine, and five certification centers to build a platform for academia-industry collaboration, and to link with the international market. Furthermore, we also establish a membership with enterprise to provide more customized services.
